Subject: 2,4-D NU - additional states
Date: Wednesday, November 27, 2013 9:25:10 AM

Hello 2,4-D Team

Kay will be scheduling a meeting for next week or so to talk about the timeline for the new submission of 2,4-D (registration in additional states). She was surprised that Dow is planning to/have already submitted for additional states now in spite of her numerous conversations with Diego to wait until the current action is cleared.
